## How We Are Funded

Our funds come primarily from membership dues, group meeting rental fees, snack & beverage sales, recreational games, contributions and donations.

## Have Your Next Event at the Club

Our facility is open on a rental basis for fundraising events, group functions, weddings, memorial ceremonies, and rentals to non-12 Step meetings. See our website, [www.HaywardSerenityClub.org](http://www.HaywardSerenityClub.org) for more information.

## Most Important!

Cash contributions and income from rentals will pay the bills but the club cannot survive without time invested by volunteers

## Things to Consider

As a member, your support of our mission is appreciated. Your membership dues help ensure that we are able to pay our bills to keep the doors open and the facility maintained.

The club is an asset to our community. Our programs and our facility provide needed support to those afflicted with substance abuse and to their extended families. Remember that we are addressing the needs of your family, neighbors, friends, co-workers, and even strangers.

## You Have a Voice

Our club is run 100% by volunteers.

All members are invited and encouraged to help whenever possible.
